

Title: The Latest Trend of Semiconductors

Satoko SHINKAI

Kyushu Institute of Technology, JAPAN

Education

- April 1993 - March 1996, Bachelor course of Engineering in Kitami Institute of Technology, Japan (Grade Skipping)
- April 1996 - March 1998 Master course of Engineering in Kitami Institute of Technology, Japan
- April 1998 - March 2000 Doctor course of Engineering in Kitami Institute of Technology, Japan (Grade Skipping)
- March 2000, Ph.D. of Engineering

Research experience

- April 1998 - March 2000, Research Fellow of Japan Society for the Promotion of Science (DC1)
- April 2000 - March 2004, Research Fellow of Japan Society for the Promotion of Science (PD)
- April 2004 - December 2004, Part-time researcher in Kitami Institute of Technology, Japan
- January 2005 - March 2007, Assistant Professor at Department of Electronic Control Engineering, Takuma National College of Technology (TNCT), Japan
- April 2007 - March 2010, Lecturer at Center for Microelectronic Systems, Kyushu Institute of Technology, Japan
- April 2010 - March 2021, Associate Professor at Center for Microelectronic Systems, Kyushu Institute of Technology, Japan
- April 2021 - present, Associate Professor at Department of Advanced Informatics, Kyushu Institute of Technology, Japan
